Top News of the Day

We have increased the resolution of our QPF products to 5 kilometers. The most prominent impact on the graphics will be increased forecast detail over mountainous terrain.

WPC is now on Twitter! Follow us @NWSWPC.

To better reflect the diversity of our products and services, we have changed our name to the **Weather Prediction Center (WPC)** and introduced a new web address, www.wpc.ncep.noaa.gov. For more details, please read NOAA's [announcement](#).

Read our latest storm summary for the [Southwest U.S. to Southern Plains Winter Storm](#).

FEMA

FEMA's mission is to support our citizens and first responders to ensure that as a nation we work together to build, sustain, and improve our capability to prepare for, protect against, respond to, recover from, and mitigate all hazards.
