Transitional Shelter Assistance  
N/A

## INCIDENT SUMMARY

On 30 December 2021, the Marshall Fire broke out in Boulder County, CO. Fanned by 100+ mph winds, the fire burned over 6,000 acres in less than 24 hours and destroyed over 1,000 homes in the communities of Superior, Louisville, and unincorporated Boulder County. On 31 December 2021, President Biden approved a Wildfire and Straight-line Wind disaster declaration that activated the Public Assistance and Individual Assistance Programs (Cat A-B) for Boulder County. Amendment 1 closed the disaster period on 7 January 2022. Amendment 2 approved PA Cat C-G on 9 February 2022.

## STAFF SUMMARY

Total Staff: 98 | Coach/Evaluators: 51

## Staff by Proficiency Level

## FCO ASSESSMENT

### Priorities

- Provide safe intermediate and long-term housing solutions for displaced survivors
- Safely and rapidly remove debris to promote restoration of the community
- Deliver coordinated whole of community (local, state, federal and voluntary agency) recovery programs to the affected communities

### Outcome

- Housing: Adequate, resilient, accessible and affordable housing

## TRANSITION TIMELINE

Individual Assistance  
thru May 2022

Hazard Mitigation thru  
May 2022

Public Assistance thru Nov 2022

Interagency Recovery Coordination thru Nov  
2022

# FCO Senior Leadership COP Brief

## Recovery Support Functions

Recovery Outcomes		
Housing	<b>Housing: Adequate, resilient, accessible, and affordable housing</b>	
	1	All survivors whose primary residences were damaged or destroyed or were displaced by the disaster have returned and re-established residence in permanent housing within the affected community
	2	Survivors can afford post-disaster permanent housing units within the affected community without post-disaster assistance
	3	Post-disaster permanent housing units in the affected community meet or exceed recognized residential codes and standards and incorporate recommended mitigation measures appropriate to the area's hazards (e.g., flooding, fire, high winds), or include resiliency measures
	4	
	5	
Economic	<b>Economic: Sustainable, diversified and resilient economy</b>	
	1	Business activities are resumed and restored, including those local and marginalized businesses and major employers
	2	Local and state government ability to facilitate and regulate business activities is restored
	3	Tax base and revenue streams from businesses are restored
	4	Communities have Comprehensive Economic Development Strategies that measures the recovery process
	5	Financial activities essential to credit and insurance coverage and flows are restored
Community Planning & Capacity Building	<b>Community Recovery: Resilient recovery of SLTT communities</b>	
	1	Community Conditions Assessment + Community Profiles
	2	Status of emergency plans, such as the Mitigation plan and Pre-Disaster Recovery Plan
	3	Community engagement and communication strategy is in place for long-term recovery plan or strategy
	4	Mitigation and recovery projects have been implemented
	5	Inclusive communications strategy developed for long-term recovery planning or strategy

Recovery Outcomes		
Infrastructure Systems	<b>Infrastructure: Restored, modernized, hardened and resilient systems</b>	
	1	Power systems and fuel delivery services have been repaired, modernized, and strengthened for future disasters
	2	Water systems, dams, levees, and service capacities have been repaired, modernized, and strengthened for future disasters
	3	Communication systems and services have been repaired, modernized, and strengthened against future disasters
	4	Public and private transportation systems, to include those supporting marginalized areas are repaired and reliable
	5	Government and PNP facilities have been repaired, modernized and strengthened for future disasters
Health & Social Services	<b>HSS: Sustainable and resilient health education and social service systems</b>	
	1	Households have safe drinking water and no hazardous and toxic materials
	2	Healthcare providers have resumed capacity to meet chronic or long-term health needs, as well as primary and emergency care
	3	Ensure survivors are provided necessary behavioral health and disaster case management services.
	4	Social Assistance programs that support vulnerable populations, e.g., have resumed delivery of financial and other materiel support and services to vulnerable segments of the community's population
	5	Schools are fully operational & providing full academic programs and can provide a safe, sanitary, and supportive environment
Natural & Cultural Resources	<b>NCR: Restored, preserved, risk-resistant and resilient resources</b>	
	1	Natural resources in the affected community, to include socially marginalized, have been restored to protect people and ecosystems
	2	Resources associated with entertainment, education, recreation, and tourism have been repaired, and public accessibility restored
	3	Access to raw material and other commodities that sustain the local economy has been restored
	4	Sites and artifacts associated with the community's heritage and identity have been stabilized/protected, and public accessibility to these sites has been restored
	5

## Recovery Outcomes

### HOUSING: Adequate, resilient, accessible and affordable housing

Outcome Indicators (H1): All survivors whose primary residences were damaged or destroyed or were displaced by the disaster, have returned and re-established residence in permanent housing within the affected community

- PPDR
- Expedited Economic Recovery

Outcome Indicator (H3): Post-disaster permanent housing units in the affected community meet or exceed recognized residential codes and standards and incorporate recommended mitigation measures appropriate to the area's hazards (e.g. fire, high winds) or include resiliency measures

- FEMA Mitigation Assessment Team
