1/28/2016 (Day 155)

Strategic Goals

- Complete the PA program delivery within 120 days of the declaration date and make programmatic decisions consistent with regional policies and practices.
- Under the lead of PA, 406 mitigation will be maximized to reduce the risk of damages to the same eligible facilities in similar future events.
- Hazard Mitigation (HM) staff will implement the Hazard Mitigation Grant Program (HMGP); Identify priorities and needs to provide technical assistance for HM Plan development, HMGP application and project development.

FCO Comments

Operations

- Currently no staff deployed to 4244DR; regional staff are standing by pending receipt of scope and cost documents from applicant and State.
- State received scope and cost documentation from the applicant at the end of the 60 day regulatory deadline to provide that information (Jan 4th). State has been working to collate/validate that information since it was received.

FEMA

FEMA's mission is to support our citizens and first responders to ensure that as a nation we work together to build, sustain, and improve our capability to prepare for, protect against, respond to, recover from, and mitigate all hazards.
